

CASE STUDY

IP CCTV Surveillance System

Government Sector

Houbara Breeding Center

Houbara Breeding Center, located in Al Ain, was looking to cover their facility with 24x7x365 Panoramic HD Surveillance.

Business Objective:

To provide full surveillance throughout the Houbara Breeding Center with high definition footage, the system in consideration had to provide the following essential functions:

- 360 Degree Panoramic Surveillance
- Full HD Footage
- Scalable High end Video Management System
- 180 Days video storage

Lorens PC5MA-I 5MP IR
Panoramic PoE Network Camera

Solution:

For meeting the requirements as well as the objectives of the customer, the following equipment design was defined:

- Lorens PC5MA-I 5MP IR Panoramic PoE Network Camera
- Video Insight Video Management System
- Rasilient Storage (180 Days)

Result:

The keenness of the customer to find a versatile, flexible and reliable solution of a world class manufacturer supplying all the relevant products necessary for installation coupled with the importance of having a competent, fully trained and authorized installer who is in charge of the supply, the installation and maintenance of the panoramic IP surveillance system, automatically led to the choice of Lorens and Veritec Information Systems.

Rasilient Storage
